AN ART EXHIBIT FOR VETERANS AND OTHER MILITARY

The Cape May County Division of Culture & Heritage is planning an art exhibit that features the work of Cape May County Veterans, as well as active or retired military. If you work in the visual arts, such as painting, ceramics, wood turning, photography, prints or sculpture, we want to include your work in our exhibit.

The exhibit will run the month of November at the Thomas Beesley House, 605 Route 9, Cape May Court House. It will be open to the public during the month and there will be a special reception for military only, as well as a public opening reception.

If you are interested in participating, please contact the
Division of Culture & Heritage at
culture@co.cape-may.nj.us or 609-463-6415
